## 2023-2024 Tuition Payment Calendar - Academic

### New admitted students, AY24 and onwards

September 25, 2023

Starting from Fall 2023, new students will be required to pay 50% of the tuition fee for their first semester before signing the enrollment contract and officially becoming AUIS students. Subsequently, for each subsequent semester, students must make a payment of 50% of the tuition two weeks prior to the start of that semester to gain access to their classes. *Failure to meet these payment deadlines will result in dropping students from their enrolled courses.*

### Returnee students, admitted to AUIS prior Fall 2023

Enrolled students will receive an invoice through their AUIS email accounts. This process will take place after the second week of classes in the semester for the Undergraduate Program ("UG"). The payment due date will be the last day of the fourth week of classes no later than 05:00 pm, as the date clearly marked in the Academic Calendar.
