For any international school applicants, the admission process at AUIS is the following:

1. Checking the eligibility (see below)
2. Filling out AUIS Admissions application on the My AUIS app or at AUIS
3. English language placement test result (unless exempted by AUIS)
4. Getting acceptance letter from AUIS as well as the official letter that the student will take along with the original certificate to Ministry of Equalization (Azmoonkan) for equalization.
5. The student can sign the AUIS study contract and be given two weeks to finish the equalization and submitting the original certificate.

For any questions:

Informational sessions are held at the AUIS Admissions Office daily at 11:00 AM and 3 PM. We welcome students to visit the campus and learn more about AUIS.

Admissions office can be reached by phone: +964 (0)770 461 5555 or email admissions@auis.edu.krd.

Ministry Regulations for International (School) Students (2024/25)

The requirements below are the latest version of the Ministry regulations for accepting international students or graduates from international schools. These requirements were established for the 2022/23 academic year and stayed the same for the 2023/24. Thus AUIS Admissions office is working with the regulations below. If new requirements are published for the 2024/25 academic year, we will update each student accordingly. AUIS Study Contracts foresee flexibility if the requirements change.
