*1 – An IS Elective course includes any course taught in the Social Science Department without a POL/GOV code. Acceptable codes include ECO, GEO, HST, IR, IST, PHI, and REL. Chair’s approval needed for LIT courses.

*2 – International Studies students may elect to take ECO 220 and ECO 221 instead of ECO 210. In this case, ECO 221 replaces one IS 300-level elective.

*3 – Any other for-credit MTH course can substitute for MTH 112.

*4 – Engineering Statistics may substitute for STT 201.

Student degree paths may vary slightly from this form. If academic record differs from the courses listed in this form, please contact Registrar’s Office during advising week for clarification. Independent study, transfer credits or other unique circumstances are typically accounted for in the elective category.
