The highly-acclaimed **Sulaimani Forum**, organized by the Institute of Regional and International Studies (IRIS), brings together scholars, journalists, analysts, and public figures from around the world to discuss prominent issues and emerging trends facing Iraq and the region at this annual event held at AUIS.

## STUDENT LIFE

Rounding out the University experience is a robust campus life, with sports teams and more than 20 student-sponsored clubs including an internationally competitive Jessup moot court team, Hult Prize finalists, Environment Keepers group, and dance troupe. AUIS is also home to Iraq's first independent student newspaper, the Voice.

## ALUMNI

# 85%

AUIS alumni employed  
or pursuing graduate studies

Eighty-five percent of AUIS undergraduate alumni are employed full-time, part-time, or pursuing graduate degrees - well above the national average.

Whereas employment in the public sector remains high across Kurdistan, most AUIS alumni work for private organizations or have started their own businesses.
