Degree Audit Report for Business Administration FA 2012-SP 2017

**Default Curriculum Plan:**

Important Notes: This degree progress is for students who have started their UG program in Fall 2012 - Spring 2017, please make sure that you are using the correct degree progress according to your cohort. All Core curriculum courses are required and must be completed (at least 39 credits must be earned). Humanities core option: 1 course (3 credits) is required to be completed in this category. Social Science core option: 1 course (3 credits) is required to be completed in this category. MTH & Science core option: 1 course (3 credits) is required to be completed in this category. Students must complete all 14 major courses (42 credits must be earned). BA major students can satisfy the 30 remaining credits by taking elective, concentration or minor courses (Please refer to the Academic Catalog for minor and concentration required courses). Elective, minor and concentration courses will be listed under the Non-Curriculum courses. Graduation Requirements are: 2.0 cumulative GPA and a minimum of 120 earned credits
