

Applications are now open for the Fall 2019 MBA courses.

AUIS welcomes all qualified students regardless of race, religion, age, ethnicity, national origin or gender. Students are admitted into AUIS based on a record of academic performance and demonstrated potential for success. AUIS has a selective admissions process and requires high standards of integrity from its students.

AUIS has recently restructured the MBA program's schedule. This new structure will allow students (especially those who are from outside of Sulaimani) to join the program with minimum disruption from their existing jobs.

Each of the 17 courses is taught over the course of a month, for a total of five days. The five days will be distributed over two weekends throughout the month; meaning one Thursday-Friday-Saturday, and one Friday-Saturday, with a weekend in between.
