

## Major Declaration Form

- Students must complete this form by the end of their **4<sup>th</sup> semester**
- Engineering students should try to declare by the end of their **2<sup>nd</sup> semester**
- Engineering declaration is approved by the Declaration of Engineering Form
- Before their 3<sup>rd</sup> semester, students will be listed in AUIS records based on their most recent indication of major preference; typically this indication comes at the point of admission. Program status will be “Enrolled – Undeclared”
- 
- After their 4th semester, students can change their major by filing a **Change of Major Petition**

**Name:** ..... **ID** .....
