How to complete:

This document is a guide to degree requirements; *filling it out is recommended but is not required.*
 Mark completed courses by writing in the semester of completion
 Light blue denotes space for minor and/or concentration (5 courses)

Varied degree paths:

The English major does not require students to take courses in any particular order, though we recommend taking the literary foundations classes early. Pre-requisites must be met unless a special exception is granted

If academic record differs from the courses listed in this form, please contact Registrar's Office during advising week for clarification

Independent study, transfer credits or other unique circumstances are typically accounted for in the elective category
